

MOBILE HANDWASH FOR MOBILE PEOPLE

HANDIWASH & MINIWASH AUTOMOTIVE HANDWASH SYSTEMS

Hot and cold water at any location is now an affordable reality.

Eberspächer are proud to announce what is undoubtedly the most compact, easy to install and technologically advanced mobile handwash unit. We now feature fully automatic versions of both Handiwash and Miniwash, making installation even easier.

For anyone whose work brings them into contact with hazardous substances, or unhygienic conditions, it should be considered a necessity.

Extensively used by major companies, Eberspächer Handiwash Units can assist you in meeting occupational health and safety requirements.

APPLICATIONS INCLUDE

- Mobile tradespeople.
- Professional field workers.
- Maintenance workers.
- Food vendors.
- Utility vehicle users.
- Off-road enthusiasts.
- Campers.
- Anglers.

Eberspächer Handiwash units carry a full 12 month warranty.

Handiwash is type approved and **CE** approved.

Handiwash

(Automatic version if required)

HIGH IMPACT HOUSING

Moulded from tough, UV resistant polymers suitable for internal and external applications.

LOW POWER, HEAVY DUTY HEATER ELEMENT

Using high corrosion resistant materials and state of the art electronics, the heater element themostatically controls water temperature to 60°C. The system is also protected by a thermal overload safety device.

EASY INSTALLATION

Unit can be easily mounted to any vertical surface and wired to a 12 volt power source, 24 volt systems are available.

Optional lift out bowl available on both models.

Miniwash

(Automatic version if required)

Miniwash features a single tap / single temperature operation, themostatically controlled to 49°C. The system is also protected by a thermal overload safety device. Miniwash is ideal for small van applications and features a three way port drain.

THE COMPREHENSIVE EBERSPÄCHER PRODUCT RANGE ALSO INCLUDES HEATING, AIR CONDITIONING AND REFRIGERATION SYSTEMS FOR COMMERCIAL VEHICLES, CARS, BUSES, COACHES, MOTORHOMES, CARAVANS, MARINE, OFF-HIGHWAY AND MILITARY APPLICATIONS.
